

## CCCC General Membership Meeting May 8, 2018 at the Legacy Clubhouse

In attendance – reference subject attendance list

Social period held 6:30 to 7 PM

Meeting called to order at 7 PM by Jim Kears

### **Jim Kears's comments:**

- Thanked the club members for the excellent turnout at the Wade Show & Shine on April 28.
- Provided an update on the Member of the year standings with Mike Baessler, Peter Spevak and Trish Spevak tied at the top with 16 points. Linda Baessler has 14 and Bob Naquin has 11 points.
- Advised that local area car club information is now available on the CCCC website and in the monthly Bulletin
- Communicated the new Insurance Waiver requirements by NCCC. We must now have all participating CCCC members sign the NCCC Insurance Waiver before participating in any parade or "speed" event such as the Laps for Charity Event in Las Vegas.
- Gary Higgins and the Pyles were selected as the members of the month for June and July respectively. They will forward their preferred car pictures and Corvette background stories to Laura by the 25th of the month prior to their respective featured month.

### **Larry Minnich** provided the Treasurer's report:

- Deposits totaled \$160.00 from new members' dues. Checks totaled \$90.00 to NCCC for new members' fees. Balance \$3,956.84.

### **Mike Pfeffer:**

- Provided a detailed update of the upcoming Events as listed on the monthly bulletin.
- Jim Agar provided additional detail of his September and October multi day runs to Tahoe and Southern California respectively.
- Conducted a table by table breakout session regarding caravan safety. Mike has already spoken to local law enforcement and determined that pulling off on a on/off ramp or along side of a major highways is illegal. However it is legal to assemble a group of cars on a secondary road as long as we don't block intersections and cause a traffic hazard.
- Club member report out comments will be reviewed by the board and incorporated into a revised set of Caravan rules to be issued **on or before July 1, 2018**

### **Laura Rice:**

- Provided information regarding the August 4 CCCC Anniversary Party, September 29 Progressive Dinner and October 27 Chili Cook-off. Laura will send an email to the club membership asking for volunteers to help plan and conduct these events. Especially for the Anniversary Party, Laura needs extra card tables and chairs to be provided by some club members.
- Addressed problems with the "Submit" button on the website for new member applications. The software company claims there is not an issue, however it seems you need to be using a desk or lap top computer to get the application to work properly rather than applying using a smartphone or tablet.

### **Wade Presentation**

- Brad Moon and Kevin Smith of Wade Chevrolet presented the latest information on Corvette sales, options and mechanical issues. Kevin is a nationally recognized Corvette mechanic who took questions for the membership for approximately one hour.

Meeting was adjourned at 8:45 PM
