**Announcement From Chief Thomas**

**Dear DPD Family,**

**It is with a tremendous amount of sadness that I write to inform you we lost a dear family member, Retired Detective JC Tyus, 65004. JC was taken to the hospital this past Saturday, after falling ill. Sadly, JC was unable to survive the complications of his illness and passed away earlier today with family by his side.**

**JC was an instrumental member of our great department where he proudly wore the badge from 1965 to 2003, ultimately retiring at the rank of Detective. JC was influential in the creation of both the Denver Police Foundation and Denver Police Officers Foundation, also serving as a board member for the Denver Police Brotherhood. JC remained committed to both foundations and the Brotherhood after retirement and was actively involved in each organization until his passing. Additionally, JC worked tirelessly to remove the residency rule, allowing officers to live outside of Denver city limits. Undoubtedly, in any situation that needed action, JC quickly jumped in with a solution-oriented approach to resolve the issue.**

**Let us all take some of that JC spirit as we move about our day.**

**Sincerely  
Ron Thomas  
Chief of Police**
