## Entrepreneurs and Start-Up Businesses Active at StoneGate Center

In support of the City of Bedford's focus on "building a better Bedford," StoneGate Arts & Education Center is making offices available for entrepreneurs interested in launching new small business enterprises in the Lawrence County area.

Currently, these incubator spaces are available free of charge. Ideally, as the businesses

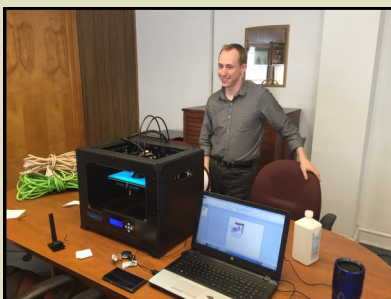

begin to flourish, rental costs will adjust on a sliding scale until the individual enterprises are solvent enough to strike out on their own.

Interested business owners must provide a business plan, offer an estimation of how long the business will remain at StoneGate Center, convey the specific accommodations they will require, and be willing to discuss costs related to

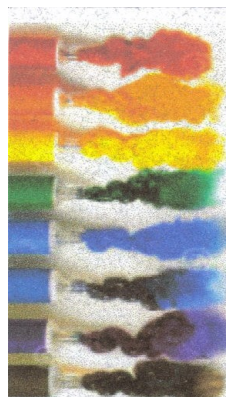

phone, internet and electrical usage. Businesses also must provide proof of general business liability insurance.

For more information about office space at StoneGate Center, contact Gene McCracken or Susan Hayes at (812) 279-8126, or via e-mail at [gene@stonegateeducation.com](mailto:gene@stonegateeducation.com) or [susan@stonegateeducation.com](mailto:susan@stonegateeducation.com).
