The DeKalb County Commission met Monday, March 30th and assessed the current COVID-19 situation.

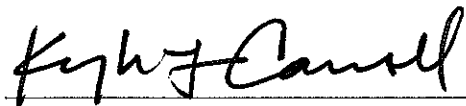

The Commission extended the restricted access order for the DeKalb County Courthouse through April 7th.

The Commission urges all residents of DeKalb County to follow the CDC and the Governor's guidelines and limit travel to essential business until further notice.

The Commission will meet April 7th and re-evaluate the conditions at that time.

The Commission continues to stay in touch with the Governor's Office, SEMA and Congressman Graves through conference calls and other communication.

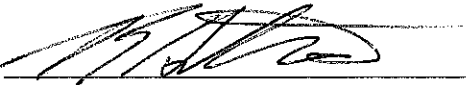

The DeKalb County Commission acknowledge the extra efforts of all Emergency Services, Law Enforcement, Medical, School and others working through this unprecedented event.
