

## SENECA VALLEY CLUSTER REPORT – MAY 2018

### SOCA

1/7 schools remain non-compliant

Met with PTA Pres (again) and made progress on missing audits, taxes, memberships, MD state forms

### End of Year treasurer forms

Scheduling a summer retreat to complete forms all together as a cluster

### Boards

Emailed all schools about elections for next year

Most schools do NOT have Presidents and Treasurers but are continuing to search

### Listserves

Sent out info from MCCPTA but did not see much on the listserves that I receive

For Fall Boards: schools will be requested to send out the info from me

Ex. Candidate Forum, Safety in Schools presentation, Voters Guide, Mental Health forum

### Pedestrian Safety

(particular issue for Seneca Valley HS)

Planned, publicized and led a Ped Safety task force launch

Planning next meeting

### Summer plans

Meet with new area director

Recruit more cluster coordinators

Study boundary study protocol

Coordinate cluster table at Germantown Day

Respectfully submitted,
