PAST PERFORMANCES

ZEMAN HOMES – THE WAVES RV RESORT IN NAPLES, FL

Enhanced and expanded outdoor wireless internet solutions for residents, by adding more than 25 new 20ft high towers with mesh antennas, thereby doubling the capacity of the wireless network. The client now has a fully meshed network and properly backhauling traffic, expandable to accommodate additional devices and bandwidth without needing a major overhaul of the current infrastructure.

MYSTIC POINTE TOWER 500 – DE LUXE BUILDING, AVENTURA, FL

Assisted with the design of a modern video surveillance system, replacing the existing cameras and expanding surveillance to include pool deck and lawn areas. Installed more than 40 cameras for outdoor and indoor locations, and designed and implemented an IP network that connects all the cameras to a redundant Network Video Recorders and to client's private network. Customer's satisfaction was exceeded in scope, performance and needs, resulting in excellent written review.

5300 PASEO AT DOWNTOWN DORAL, FL

Upgraded old camera system by installing the latest generation of IP Surveillance cameras and recorder, expanding the system from 12 to over 70 cameras for the building's critical areas and 21 floors. Advised on and installed most innovative and reliable solutions for emergency situations in elevators. Provided tailor made solutions to customer's request in record time and in the cleanest way possible.
