## 2014 Allure de Robles Rhône Style Red Wine

|                 |   |
|-----------------|---|
| APPELLATION     | Paso Robles   |
| GRAPE VARIETIES | Made predominantly from Grenache, Syrah, and Mourvedre, and like a true Rhône wine, blended with up to six other grape varietals.   |
| ALCOHOL         | 14.8%   |
| VINIFICATION    | Made in the true Cotes du Rhône style, like the notable wines of Southern France. The grapes were cold soaked 3 to 7 days, with extended skin contact up to 5 weeks, and then gently pressed. The different varietals were co-fermented to increase flavor and complexity. The wine was aged in a combination of 25% new American oak barrels, 160-gallon Demi-Muid barrels and 3000-gallon French oak tanks to greater develop the wine. |
| TASTING         | Our new 2014 vintage is a full-bodied wine loaded with rich, ripe fruit in the mid-pallet and a long, lingering finish. We have updated the label color and bottle shape to denote the new, bigger vintage. The 2014 vintage has sturdy tannins which should allow it to age well for three to five years. Like all vintages of Allure de Robles, it will pair beautifully with a variety of cuisine.                                     |
