

**Amanda Dixon**

Amanda Dixon is an analyst for Bankrate.com. In addition to covering the company's latest studies related to personal finance and financial security, she covers the ins and outs of the banking industry and helps consumers save money and build wealth at every stage of their financial lives. Prior to joining Bankrate, she served as a writer and editor for SmartAsset, a New York-based fintech startup. Originally from the metro Atlanta area, she's a University of Georgia alum.
