SOAR: Working to improve lives

Success and Opportunity At Reading (SOAR)

Adult Literacy is in need of students and volunteer tutors.

Volunteers can have a profound effect on students who are eager to learn to read.

Any adult who would like to volunteer to tutor, or would like to learn to read or to improve his or her current reading skills may contact SOAR! Executive Director Adele Bowden-Purlee at (812) 279-8126 or via email at soardirector@gmail.com.

Students will be matched with volunteer tutors who will meet with them at their convenience, approximately once a week.

SOAR! conducts regular tutor volunteer training sessions as required throughout the year.
