February 2024

We are truly excited to be opening our gates to members on Memorial Day Weekend in 2024! This year represents our 69th season and the Board of Directors and staff are preparing for another great year!

Your Board of Governors has been working during the off-season to balance the Club's budget and determine costs. Last season we raised our lifeguards and staff salaries to midpoint to meet local rates. These determinations continue with general costs and maintaining the general operations of the pool (costs for chlorine, supplies, vendors, etc.). Finally, we are improving and upgrading the grounds to give you, the membership, the best possible experience for your families. To offset the increased costs mentioned, the Board of Governors has voted to increase the minimum membership dues this season by \$50 per season per family. We recognize this is the second year in a row in which membership dues have increased; nevertheless, for the reasons listed above, this is the most reasonable option.

Please take a moment to review this entire document to ensure a successful 2024 summer at the SSC.
