Why Automated Mailroom

1. **Local Service and Support** – we have been serving Tampa Bay since 1988 and have over 5,100 local customers. Ask us for our reference list – feel free to call any of them or any others if needed. We pride ourselves with delivering a positive customer experience...
2. **We care about our Customers...**period! Automated Mailroom & FP Mailing Solutions are large enough to support you, yet small enough to care – we treat you honestly, fairly, and ethically. You are not just a number at Automated Mailroom – we care about you & your business we share together. Our customers do not leave us – period!
3. **FP Mailing Solutions** – is the only USPS Meter Company that is **Actually** growing, while both other meter companies are rapidly losing meters (source USPS meters population).
4. **Easy & Flexible Financing Terms** – 12 to 63 month plans available
5. **Comprehensive Service Agreements can be included or not in your plan** – we give you that option for budgetary and company policy purposes
6. **Pricing included:**
 - a. USPS Certified Meters
 - b. Machines – all machines sold or leased are Brand New
 - c. Unlimited Meter Resets – no hidden fees
 - d. Unlimited USPS Rate Changes – no gotcha charges
 - e. Price protection – prices do not change during a term
 - f. We do not sneak in eCheck Processing Fees, arbitrarily bill you for services and features that you do not need, like insurance which you already have.
7. **Unsurpassed Customer Service** – even though we work with the largest companies in the Greater Tampa Bay, Greater Orlando, Sarasota, Ft Myers Areas we take pride in giving that small company attention to all our customers, and they appreciate it in return. We answer the phone when you call!!!
8. **Quick and Responsive** – 99% of the time, an in-house technician will provide FREE phone support. IF we are needed to respond on-site, we offer a 2–4-hour response.
9. **Price** – our proposals are thorough and fair. We offer honest prices, rest assured we have already done the research for you and are competitive within the market. Our goal is to offer you more software, or other useful products, while still beating the others price.
10. **Installation and Training** – we will provide complete and thorough training and installation – no extra hidden charges now or during the term of the agreement!
