JULY/AUG/SEPT/OCT, 1989

VOLUME 11, ISSUE 5

### PRESIDENT'S LETTER

It has been awhile since the last newsletter was published and a lot has happened within the D.D.A. since then. We have seen the summer come and go and with it the 1989 Summer League. With the change of seasons and the arrival of autumn came the start of the 1989-90 darting season which has undergone some changes of its own from previous years.

At this time I would like to congratulate those teams and individuals who earned awards for finishing at the top of their respective divisions in the 1989 Summer League. I would also like to thank Donna Hack for all her time and efforts and for a great banquet. The Summer League Banquet, held September 17 at Hank's Pub, was open to all Summer League members and surely was enjoyed by all who attended. It was a cozy little affair which began with the presentation of the plaques and 180 awards and was followed by everyone helping themselves to food, refreshments and a bit of strutting, bragging and conversation. The day was capped off with a fifty dollar added luck of the draw to which Hank Duff added thirty six dollars.

Next I would like to discuss some of the changes for the 1989-90 season but before doing so, on behalf of the D.D.A. Board, I would like to welcome everyone participating in the D.D.A. this season and wish each of you all the best in attaining your goals. As many of you are aware, in the past the D.D.A.'s Fall League has been one 28 week long season. Now the D.D.A. will have two distinct seasons, the Fall Season and the Winter Season. Each season will contain two halves with the score reverting to zero at the start of the second half. Then, if need be, the first half winners and the second half winners will battle for first place for that season. Awards will be given for both seasons with all of the awards being presented at the Annual Awards Dinner in May, 1990. Furthermore, for your team or yourself to be considered for the Winter Season, a separate application must be filled out and submitted with applicable dues and fees to the D.D.A. by December 22. Dues and fees for the Winter Season will be: \$10 Annual Membership Dues; \$50 Team Fee; and \$15 Sponsor Fee per team. However, if you played in the Fall Season and paid your \$10 Membership Dues you do not have to pay another \$10. Furthermore, if your team played in the Fall Season and applies for play in the Winter Season and maintains at least three of those same players then the Team Fee for the Winter Season will be \$30 rather than \$50.

These changes have been implemented so that imbalances within divisions of the Fall Season may be corrected to create more parity in the Winter Season. This I believe to be a positive step for the D.D.A. in creating a more competitive and enjoyable atmosphere for the members.

Respectfully,  
Mark A. Grencavage  
President, D.D.A.

\*\*\*\*\*DDA MEMBERSHIP CARDS\*\*\*\*\*

The Dayton Darting Association issues membership cards to their members in good standing. Team captains should have received Temporary Membership cards in their team packets. The Temporary Membership cards are to be used only for members that are added to a teams roster after scheduling. The first night that a new member plays, they should sign their name on the Temporary Membership card and the captain should have the opposing team captain sign the card in the appropriate place. This card is to be used until the new member has received their Annual Membership card.

In order for the new member to receive their Annual Membership card, the team captain should write the new members name and address on the back of that nights score sheet and request that the new member be added to their team roster.

If you are a member of the DDA and have not received your Annual Membership card, you should contact Donna Hack at 223-1117, or drop a note to the DDA at P.O. Box 292828, Kettering, Ohio 45429.

# FROM HANK.....

The dart season is well on it's way and everyone is really into it! There are a lot of new teams and new people and of course we have those teams who have been together for ages, and they're the ones to beat. What fun! We also have three new dart bars we would like to welcome to our dart league. Slammers, Slopes and Plaza Lanes. The good reports are in for these places, so fellow darters, let's give them our support! Slammers has a LOTD on Tuesday and just had a big LOTD on Saturday, October 7th in the afternoon. Bob Ward tells me that he has plans for another LOTD on a Saturday in the near future. That's something to look forward to!

Katz' mystery out is out of sight on Sunday nights. Gives you something to shoot at. Their Sunday night LOTD has been going on for a long time, which means success, a favorite spot for darters.

Norton's is doing quite well also. All the darters I talk to really like it. They have a LOTD on Saturday nights.

While I'm mentioning LOTD's, I sure don't want to leave Hank's Pub out! With the superb help of "Not Tonight" Mike Mantia, this LOTD has been the highlight of our Friday and Saturday nights. We are really proud to be a part of Darts in this community and take pride in our success. All of us at Hank's Pub say "Thanks Darters".

For those of you who missed the Dayton Dart Open, please don't cry to me. It was a big success and Ellie & Bill Nicoll deserve a great big hand. True, a lot of work, but well worth it. Me and my crew had a good time on the registration desk. The football team from Erie, Pennsylvania was cute but curfew was 10 o'clock. So... and then, the wedding was really interesting (who put their finger in the cake?) When some of the wedding party jumped into the pool, that was nice. But the best part was Jody Atkins, Maureen Bennett, Donna Hack and Mary Toney jumping into the pool too, but with their clothes on. (Can I be sued?)

Back to the dart tournament (away from the desk). Larry Furrow was the hero Friday night and Billy Nicoll Jr. sure had the gallery cheering for him when he beat Tony Payne. Ed Conduff and Ron Cloutier were shooting good and they were in the money as were a lot of Dayton Darters.

Howie from California changed clothes every hour. He was really sweet. His birthday was the same as mine so we celebrated together with Sue Kreuzer. I'm not saying who's the oldest.

There were many volunteers for this tournament and they did a beautiful job. My personal thanks go to Linda Fischer, Diana Brown, Leigh Woolf, Maureen Bennett, Jann Christiansen, Ed Conduff, Pete Mougey and his wife Julie. These people made the registration desk go like clockwork with lots of fun on the side.

Lucky sixteen for the Men and Ladies at Hank's Pub are having winners every 13 weeks. Tereasa Wahlrab and Ellie Nicoll won the last round. Brad Wethington, Larry Furrow and Dave Chaney won the mens. We welcome all who want to join us.

Congratulations to Dale and Julie Freeman on the birth of their beautiful baby boy, Ryan.

The Gem City "10" girls really made us proud. They won over Cincinnati, Indy and Lexington by a big margin. They led all the way. We are proudly displaying their trophy at Hank's Pub over the fireplace. Their next match is in Indianapolis on December 2, 1989.

Along with the joys of life, there is sometimes sadness beyond belief. I would like to extend our deepest sympathy to Boomers family and Donna Hymers family. Our hearts are saddened by this tragedy, by all who knew them. See you around, playing darts!

## GEM CITY "10"

The Ladies Traveling Challenge Team, Gem City "10" is pleased to announce that we took FIRST PLACE our last time out.

On September 16th, Hank's Pub hosted the four ladies challenge teams, Cincinnati, Indianapolis, Lexington and Dayton. There for the first time, after six times out, we took first place. From the first round on we were in first place and never gave it up, or so says our coach, Donna Hack. Donna gave strict instructions that we were not to look at the score board. It was good advice. We took first place with 28 points. Cincinnati and Indianapolis tied for second at 23, with Lexington close behind with 22.

But now we would like to take this opportunity to say thank you to all the people who have given us their support.

First and foremost, Donna Hack, our coach. Donna was nicknamed The Dictator by the girls on the team. She saw a lot of talent and believed that with discipline and hard work we could be winners. She worked us hard on our weaknesses and came up with new ideas all the time to prepare us for our match. The hard work really pays off! Thank you Dictator, I mean Donna.

Our newest coach is Lou Lovash. He joined us at Cincinnati when Hank Duff was unable to attend. Lou's support and encouragement was priceless. Lou and Donna made sure that everything was taken care of so we girls could concentrate on throwing darts. Thanks Lou... are you ready for Indianapolis?

We feel very lucky to have the support of Hank Duff and all the girls who work at Hank's Pub. It is our second year at Hank's and they always go out of their way to make everyone feel special. The other teams could not compliment the bar, the owner or the workers enough. Thank you Hank and Hank's Pub!

For our weekly practices we alternate between Hank's and Lanes & Fairways. We feel very fortunate to have two fine bars to play in. Denny Crouse and Lanes & Fairways have always given us their support. When we have asked to run raffles, or to have special practices, anything we need they have been there. They even donated champagne so that we could toast our tournament. Thank you Denny and Lanes & Fairways!

But most of all we want to thank Dayton Darters. You all have made us feel like winners for the past two years. You have supported our raffles and 50/50 pots, which we use to pay our entry fees and expenses. You have sponsored us so we could buy our shirts. You've never refused us anything, even your time.

A group of men even gave up their Tuesday evening to come out and play a practice Round Robin against us. Every man that Donna asked agreed. They even brought others out to play, it was a good time and workout for all.

So we feel that our win isn't just our win, but yours too! Thank you for not only showing up Saturday to root us to victory, but also for all the support and encouragement you have given us throughout.

The Gem City "10" says.... THANK YOU DAYTON!!
