

. EDUCATION COMMISSION

This group plans and presents educational programs and services to help students with their educational endeavors, develop confidence and prepare for the future. Click here for details (link to the page). Programs include S.A.T. Prep Workshops, Tutorial/Homework Assistance, College Bound Workshops, College Tours Summer Camp, Employment Institute for Summer Jobs, Writing Clinics, and How to Study Workshops. Coming this fall: Money Management, Computer Shortcuts Clinics, Meet the Future (Career Choices Presentations) and Arts Programs. The programs are open to students at St. Paul and the Raleigh Community at large.

11/2018 - We are excited to support our college students by sending them a gift of love every other month. In order for a college or grad student to receive a gift we will need the following information as soon as possible. [Click here to complete the Information Form.](#)
