Golf Course Information:

Teeth of the Dog:

Teeth of the Dog, a Pete Dye Classic ranked as the No. 1 course in the Caribbean and 43rd in the top 100 golf courses worldwide by Golf Magazine, attracts the top professional and amateur golfers in the world to Casa de Campo. "The opportunity to carve out Teeth of the Dog was a once-in-a-lifetime experience," Dye wrote in his book. "Without proper heavy machinery to crack the coral, the tireless Dominican crew used sledgehammers, pickaxes and chisels." The golf course features tricky shots such as a devilish dogleg and signature Dye obstacles. Toss in trade winds courtesy of Mother Nature.

The Links:

Another Pete Dye creation, The Links was completely overhauled in 2012 to make it every bit as challenging as the other courses at Casa de Campo. Reminiscent of traditional links courses typically found in the British Isles, these 18 holes wind through the interior of Casa de Campo and offer spectacular views of the Caribbean Sea and the Resort grounds. And even though The Links course might not be right beside the ocean, there's still plenty of opportunity to go to the beach—no less than five holes feature water hazards. Rolling hills and ocean views offer an unique and fun golf experience.

Dye Fore!:

Picturesque Dye Fore, Pete Dye's latest addition to Casa de Campo golf, was completed in 2005. The golf course is known for its large elevation changes, which lead to many blind shots. The numbers are staggering: 7,740 yards in length from the back tees, seven cliff-side holes dropping 300 feet to the Chavon River below, 40 miles per hour gusting winds and breathtaking 360 degree views. Fairways are very generous, and the greens are large but many have slopes, bumps and several tiers. No. 12 and No. 15 are considered two of the finest par-3 holes around.

AIR FARE IS NOT INCLUDED IN THE PRICE AS MANY PEOPLE CHOOSE TO USE THEIR FREQUENT FLYER MILES.

Please consider making flight reservations early, as flights tend to fill up quickly. The airlines normally allow you book about 10 months in advance.

You can fly to:

- La Romana (LRM – 10 minutes from Casa de Campo)

- Santo Domingo (SDQ – 75 minutes from Casa de Campo)

Once you land and pass through customs your driver will be waiting with a sign that has your name on it and will drive you to the resort.
