New England College Tour: June 9 – 14, 2019

Tour Description:

This six day / five night excursion will introduce you to several colleges and universities. You will have the chance to experience first-hand what college life is all about, and have an exciting and educational time with your classmates and friends.

You will visit: Northeastern University; Boston University; Boston College; Babson College or Wellesley College; Brown University or Rhode Island School of Design; Bryant University; Worcester Polytechnic Institute; Clark University; College of the Holy Cross; Amherst College or Smith College; University of Massachusetts. (You CHOOSE SCHOOL TO VISIT WHEN GIVEN OPTION)

There will be student led campus tours, meetings with admission officers, campus meals, overnight lodging in hotels, and plenty of sightseeing. Lodging will occur in hotels located near the schools and is based on quad occupancy. Activities on previous tours have included exploring the areas surrounding the schools, attending special events, and shopping in malls and markets. Throughout the trip, participants receive helpful information, materials, and tips on how to make the most of the campus visits.

The tour will be led by a representative from **COLLEGE VISITS** and Glenelg Country School, MD. **COLLEGE VISITS** is directed and founded by Robert Rummerfield, who previously was an admissions officer at The Johns Hopkins University. Since 1991, students, parents, and counselors from across the world have joined us on trips. Some of their comments:

"I really enjoyed the tour and have found a few colleges that I will apply to. There was a good balance between visits and fun time. I was able to meet new people and got to know some of my classmates better."

"I got to meet interesting people and see places I had never seen before. More importantly, I got a chance to see and define the qualities I am looking for in a university."

"It was well organized, executed, and overall, insightful in content. I feel we visited many good schools and the variety will definitely help me decide where I want to go."

"The tour was a lot of fun. It was great to see so many campuses without having to organize all of the visits myself."

"Good chance to see many schools I would not have otherwise seen."

If you have any questions or would like additional information, please contact your college counselor, or us. We look forward to your participation!
