Good Evening Ms. Orr,

My daughter Catherine attends CARD (Center for Autism and Related Disorders) Academy in Alexandria, VA. She returned home from school today with a set of books in her backpack and a lovely note attached to them.

I wanted to thank you for the work you do and also for the lovely gift of books. Catherine absolutely LOVES to read. It has always been a favorite pass time of hers (although writing and drawing cartoons are becoming more of a favorite as she grows up). I'm sure she will thoroughly enjoy the books!

Thank you,
Helena Fountain
