Who We Are

The New Era Missionary Baptist Convention of Georgia, Inc. was prayerfully organized in 1961 at the Termont Temple Baptist Church, Macon Georgia. The late Reverend E.B. Paschal, then the pastor of the Tremont Temple Church suggested the name of the new convention. The new convention described its purpose in the preamble to its Constitution: "We, the brethren and sisters in Christ of the sovereign state of Georgia. In order to form a more Christian Union of like mind, purpose and aims, insure harmony and cooperation in the Spirit of Christ our Lord: promote the preaching of the gospel of the Son of God, the work of Christian Education and Missions and to secure the blessings of liberty and brotherhood to ourselves and our children, do ordain and establish this constitution for the New Era Missionary Baptist Convention of Georgia." We are the state convention for Progressive National Baptist Convention and as such we are committed to preaching the gospel of Jesus Christ which entails promoting civil rights and social advocacy.
