MULTNOMAH COUNTY MEDICAL EXAMINER'S OFFICE DECEDENT TRANSPORT FEES

Subject: CHARGES TO FAMILIES OR ESTATE OF DECEDENT

First Call Mortuary Services Inc. has contracted with the Multnomah County Medical Examiner's Office for the purpose of transporting decedents from the scene of the death to the Medical Examiner's Office.

As you are aware, the Multnomah County Medical Examiner's Office levies a transportation charge for this service that is payable by the family or estate of the Decedent.

The charge for the transport service is a contracted rate of \$165.00 plus \$10.00 for a medium duty body bag, and any extra equipment required. If more than 2 technicians are required by the Medical Examiner there is a \$36.00 per person, per hour charge.

Our Firm will bill your Funeral Home for "Medical Examiner Transport Services" in the amount of \$165.00, plus \$10.00 for a medium duty body bag and any extra equipment or personnel required, less any monies we receive from funds held by the Medical Examiner in trust, received from the estate of the decedent.

This charge is normally considered a "Cash Advance Item" by the funeral home and is collected from the most responsible person arranging for the disposition of the remains.

We would appreciate a call from your funeral home at the time you bring the decedent into your care so that we can forward you a copy of our invoice that can be made available to the family.

If we can be of further service or should you have any questions or concerns, please call us.

Sincerely,

Deon Strommer

Owner of First Call Mortuary Services Inc.
