

**QUARTERLY INVESTMENT REPORT  
 FOR PERIOD ENDED DECEMBER 31, 2022**

Submitted to: Board of Commissioners, Bexar County Emergency Services District No. 4  
 (“District”)

Prepared By: Charles Laljer, District Investment Officer  
 Prepared For: Stephen Surratt, District Treasurer

This report is made in accordance with provisions of Government Code 2256, The Public Funds Investment Act, amended effective September 1, 2011, which require quarterly reporting of investment transactions for District funds to the Board of Commissioners. The investments held in the District portfolio comply with the Public Funds Investment Act and with the District Investment Policy and Strategies.

**I. CASH AVAILABILITY**

The District maintains two depository banks with excess funds being kept to a minimum. The balance of funds are invested and matured to meet accounts payable requirements or to pay down the District debt. Statements are received monthly from Frost Bank and PNC Bank. The Bexar County Tax Assessor-Collector collects District Ad Valorem Property Tax, and the State of Texas Comptroller collects District Sales and Use Tax. Collected taxes are directly deposited funds into the Frost Bank by the Bexar County Tax Assessor-Collector and PNC Bank by the State of Texas Comptroller as funds are collected. Cash in the depository accounts for the quarter of October through December 2022 are as follows:

Date	Frost Bank End of Month Balance	PNC Bank End of Month Balance	Total Value

An investment brokerage with Frost Brokerage Services is used to streamline the investment activities with one institution versus having to track multiple statements. It also provides the opportunity to shop for better CD rates nationwide. The Frost Brokerage account will only be used to invest in CDs. The District has four CDs as of the end of the quarter. The total investment value at the end of the quarter, December 31, 2022, with accrued interest is \$996,507.50. The specific details are:
