USA Table Tennis (USATT)
Michael Cavanaugh, CEO
One Olympic Plaza
Colorado Springs, CO 80909-5769

Dear Mr. Cavanaugh:

Thank you very much for allowing one of your USATT Umpires, Michael Meier, to be the Chief Racket Controller at the 64th Annual Korea Table Tennis National Championships, December 31, 2010 to January, 4, 2011 in Suwon City, just outside of Seoul.

Mr. Meier is an intelligent, highly experienced International Umpire that has worked for us at the ITTF Pro Tour's Korea Open, August 11-15, 2010 in Incheon City, and at the ITTF Pro Tour Grand Final, December 16-19 in Seoul. At both of those tournaments, he was our youngest umpire, but performed extremely well and challenged our umpires to seek a better understanding of rules and procedures.

As our Chief Racket Controller, Mr. Meier took our national tournament to the next level. He gave our tournament added credibility, educated our players, coaches, umpires, and staff on racket control procedures, and made us set the bar higher for future events. Our players and coaches will now be more ready to comply with racket control procedures at upcoming ITTF and KTTA events.

We can always rely on Mr. Meier, and look forward to him assisting the KTTA at future events. If you would like more information regarding his performance, please let me know.

Sincerely,

Ko Soo-Bae
KTTA, Director of Umpires
