

KONA ICE

Adopt A Classroom.org

BUY A KONA. SUPPORT A TEACHER. #SEETHECHANGE.

REGISTER YOUR CLASSROOM

We'd love to adopt your classroom - but first you'll need to register! It's super easy. Visit www.adoptaclassroom.org and click "Register A Classroom". Provide them with your information and your classroom needs and you'll be ready to be adopted!

COLORCHANGING CUP

A portion of each color changing cup sold will go towards adopting a classroom. So, buy a Kona, support a teacher and see the change - figuratively and literally. These cups will change colors before your eyes!

THE SHIRT

By purchasing a color changing cup, not only will you be helping support a teacher, you're also going to get the chance to win this cool t-shirt! How? Take a picture of the cup, post it on Instagram and use #konaice and #seethechange. Then wait to hear from us!

ADOPT A CLASSROOM

Why are we partnering with Adopt A Classroom? They estimate that every teacher spends approximately \$600 on classroom supplies each year. We partner with schools across the country on a daily basis and felt that this was a way that we could give back. If you're interested in learning more or would like to adopt a classroom yourself, visit their website www.adoptaclassroom.org
