

Experience Acupuncture - Natural Healing

Your healing journey starts here...

Join us to experience Chinese Medicine and acupuncture, the natural, safe and holistic health care program to achieve an optimal physical, mental and spiritual well-being.

Getting frustrated with your health? Want to get professional perspective about your health concerns? Our acupuncturist, Elisha Li, will be glad to help you. With over 30 years of experience in TCM (Traditional Chinese Medicine), acupuncture and Western medical field, we are prepared for your health conditions and will ensure you are cared for with the best possible services.
