RELEASE OF CLAIMS

With the total understanding that horses are unpredictable and potentially dangerous animals, and that a horse show setting is unpredictable and potentially dangerous itself, and that anything may happen today, I hereby on behalf of myself and my personal representatives, release and forever discharge Sound Lane Dressage, Dressage Experience Show Management Services LLC and their respective agents and their successors and assigns; Sound Lane Dressage, Dressage Experience SMS L.L.C. and their respective officers and members, agents, successors of and from any and all claims and demands of any kind, nature and character which I may or may hereafter acquire or which my personal representatives may hereafter acquire or accrue to them; for any and all damages, losses and injuries which may be suffered or sustained by me, my property, or by the horse(s) utilized in connection with my participation in the Sound Lane Dressage Shows; my association therewith, my entry and participation in shows and events affiliated with any of the aforesaid organizations, my traveling to, training for, and return from such shows and events; and all such claims and demands are hereby waived and released, and I covenant not to sue therefore now or at any future time.

HELMET REGULATION

All riders, youth and adult, must wear a properly fitting equestrian helmet, passing or surpassing current applicable ASTM/SEI (American Society for Testing and Materials/Safety Equipment Institute) standards, with chin strap secured, while mounted at any time/anywhere on the competition/event grounds.

Sound Lane Dressage, Dressage Experience Show Management Services and officials, make no representation or warranty, express or implied, about any protective equestrian helmet, and cautions riders that death or serious injury may result despite wearing such equestrian helmet as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

For our youth riders under 18 years of age, it is the responsibility of the parent or guardian to see to it that the equestrian helmet worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition. Riders over age 18 are responsible for their equestrian helmet complying with the standards. Sound Lane Dressage, Dressage Experience Show Management Services, and officials are not responsible for checking equestrian helmet for such compliance.

I, the undersigned rider, parent, guardian, understand that I am responsible to verify that the equestrian's riding helmet complies with appropriate safety standards for protective headgear intended for equestrian use. I further attest that the helmet is an ASTM/SEI approved equestrian riding helmet that is properly fitted to the specific entrant and in good condition.
