ATTENTION RESIDENTS!

Please remember to place your cart(s) at the curb prior to 6:00 a.m. on your service collection day or the night before for timely pickup.

TRASH COLLECTION TIPS

- Place within 3 feet of curb, facing the street. Make sure cart is not blocking the driveway or mailbox and is at least 3' from any other objects (i.e. other carts, cars, trees, basketball goal, etc.).
- Trash should be bagged and placed inside the cart. The lid must be closed properly to prevent litter blowing.
- Please do NOT place unacceptable items in cart (i.e. flammable or hazardous waste, pool chemicals, oil and liquid waste or BBQ grill charcoal, electronics, yard waste).

Following service collection day please be sure to remove the cart from the curb to assist in community beautification and aesthetics. Removing the cart within 24 hours following services also prevents carts getting stolen or potentially getting misplaced in roadways.

BULKY WASTE COLLECTION: One time per month collection, please contact us at 479-878-1384 for scheduling or more information.

YARD WASTE COLLECTION: From May–November we will pick up yard waste on your service collection day if placed in designated bags. Bags can be purchased at City Hall or at 848 E Highway 264, Springdale, AR 72764.

- Cardboard/Chipboard (Cereal boxes, paper bags)
- Plastic Bottles (ONLY #1 - water/soda bottles & #2 - milk jugs/detergent bottles)

HOLIDAYS & INCLEMENT WEATHER

We will post social media alerts to keep you informed and will communicate with City Hall.

- Observed holidays include New Year's Day, Thanksgiving Day and Christmas Day. If your regular service day falls on or after an observed holiday, your pickup will be delayed one day for that week only. (Example: Holiday falls on a Monday, routes will run Tuesday through Saturday.)
- In the event of inclement weather, collection will be postponed until the earliest possible opportunity to safely provide service.
