“Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; And ye shall know the truth, and the truth shall make you free” (John 8:31-32).

Jesus was speaking to those who believed on Him. He was telling them if they continue in HIS Word, that they will know the truth, and if they walk in truth (always comes down choices we make doesn't it) we are truly His disciples. All of God's Word is provisional and applicable for our daily lives, but only if we walk in it. You must continue on...

There are many truths that God wants you to embrace for your daily life regarding His written Word. However, it does require action on your part. The ability to walk in the truth is provided by God for you. God's Word is true therefore HIS Word is an unchangeable undeniable fact. No matter what you do, you cannot change the truth of God's Word. You can choose to believe or not believe it is true, but that doesn't change the fact that His Word is True. But, you must continue on in His Truth no matter how hard.

God is providing the “truth” for you to walk in but you must believe Him. When you “know” something to be true it becomes a fact in your life. Nothing can change your mind when you know something that is a fact. That is how you continue on! It has to become a fact to you!

You have to embrace HIM and HIS Word as truth by faith. It is your faith in HIM that actively connects you to the truth of Him. Your actions will display what you've chosen to believe. If you falter, or allow unbelief to step in, you will think differently, act differently when you are in opposition to His truth. Anytime you doubt the truth of God words, it means you are in opposition against HIS truth.

If you allow circumstances, people's words or the lies from the enemy to dictate or challenge your confidence in HIS Truth, you are not walking in truth. Any denial to God's truth blocks His truth from operating. Situations in your life will put the “Truth” of what God said to the test. Your understanding of the “truth” deepens and grows through things you experience. It is only His truth that helps you live victorious. Just because things don't “look” the way you expect them to look doesn't mean you are not victorious. That's just your perception of what you “think” victorious should look like based on your current situation.

“Walking in truth” is a matter of choice - - Psalm 119:30, - “I have chosen the way of truth...”
