On behalf of our coaching staff, players and support staff, it is indeed an honor for you to join us for another exciting season of Jenks Trojan Football. I hope this year is full of exciting and positive moments that will keep you on the edge of your seat and anxiously awaiting the next football game.

Our Trojan football players believe in our system. They believe in each other, their coaches, trainers and their classroom teachers. With this in mind, we know that our program will continue to move forward. We expect our players to not only believe in the system, but to believe in themselves as well. Hard work is expected and demanded on a daily basis, not only on off the practice field, but in the classroom and community as well. Excellence in all areas of life are continually stressed and supported in our program as our players have been the kind of people who appreciate this community's support and expectations

The expectations of our program are high, and that's what makes my job both challenging and enjoyable. The challenge to press on and improve our program on a daily basis continues to be an enjoyable part of my life. To our patrons and supporters of our program I thank you from the bottom of my heart.

The support and encouragement from everyone associated with our program has been demonstrated in the pride, craftsmanship, and equipment that are all a part of the new Robert L. Sharp Health/Fitness Center. The new locker room, weight room and training and rehabilitation facilities are second to none in the state of Oklahoma and will no doubt assist all our athletes in achieving their highest potential.

Our Trojan football family suffered a tremendous loss this summer with the death of our brother Garrett Bennett. Garrett was the epitome of Jenks Trojan Football, hard working, dedicated, unselfish and patient. Garrett's work ethic and attitude earned him the starting job at center for the 2006 season and he was ready to lead the Trojans to victory. Please join us in remembering Garrett and his family with your thoughts and prayers. We'll miss you Garrett but we will never forget you. I hope each of you will take a minute and truly thank God for your family and for the time we are blessed with to enjoy moments together. We have dedicated our season to Garrett and his family and hope you will join us in our campaign to "Win it for Bennett."

Jenks has been a huge part of my life for the past 15 seasons. My wife Courtney and I have built a home and started our family here, and we can truly call this community our home. I believe it's the combination of great people, great players, a great school, and a great community that makes my job very special.

Again, welcome to Trojan football, and my this be a football season to remember.
