**HIGHLANDS/CASHIERS PLAYERS
2019-2020 SEASON
OUR SILVER 25th SEASON**

**FINAL PLAY FOR MAY HAS BEEN
CANCELLED**

Just dropping you a note to make sure all are healthy and safe during these unprecedented times. We miss seeing all of you and look forward to seeing you soon.

Through lots of discussions and the unknown of the near futures, it is with heavy hearts that we will be cancelling our May production of *Unexpected Guest*, written by Agatha Christie, and to be directed by Donna Cochran.

Our 2020-2021 season is still on track, but we will be making a decision in June/July for the August production.

As a season subscriber, there will be three possibilities for you regarding the balance of your season subscription for the 2019-2020 season.

- Option 1: You will receive the number of tickets left over from your 2019-2020 season subscription to put towards the 2020-2021 season and pay one-half of a season subscription cost for 2020-2021.
- Option 2: You may dedicate one-half of what you paid for the 2019-2020 season as a contribution and pay full season subscription cost for 2020-2021 season.
- Option 3: You may receive a refund of \$62.50 for your unused subscription.

If you are interested in helping behind the scenes for any HCP production, please contact Paula Gordon at 828-342-4378 to volunteer as a box office volunteer, or Lynleigh McLain at 843-812-9395 for any other volunteer position. Highlands-Cashiers Players is a volunteer organization and, as a volunteer organization, we need help in the box office, ushers, concession (including wine), back stage, dinner theater assistance, and something that we may not have thought about. It can be a learning experience and lots of fun.
