Stewardship as a Way of Life: *“This man God raised on the third day and granted that he be visible, not to all the people, but to us, the witnesses chosen by God in advance, who ate and drank with him after he rose from the dead.” Acts 10:40-41* The first disciples were people who witnessed the risen Christ in the flesh. The author of Acts emphasizes that they ate and drank with the risen Christ. How we take care of each other “in this life” is an important part of our spiritual life. Stewardship is not about having pious thoughts, but about making life better for others in the flesh.

Bishop’s Annual Appeal – Hearts of Mercy: As we celebrate our risen Lord, may our hearts be filled with hope, peace, and renewed joy, and may His mercy inspire us to care for one another with generous love.

Please accept our deepest gratitude to those of you who have already supported diocesan ministries this year. As of March 23, the Bishop’s Annual Appeal for 2026 has raised total cash and pledges of \$806,852 toward our goal of \$1,550,000 (52.05%). This was made possible through the generous donations of 4,006 people throughout the 16 counties of our diocese. Will you help these ministries meet their funding needs? Visit www.stcdio.org/annualappeal.
