# Winter Weekend at Camp Horseshoe

Friday January 9 - Sunday January 11, 2026

Camp Horseshoe

By Judah C.

On the first night of winter camp, we arrived and spent a long time arranging and rearranging bunks. Once the bus arrived, everybody got settled in. After that, we had a short snack of hotdogs and chili, then got into bed and went to sleep.

The next morning, we all got up and enjoyed a wonderful breakfast of French toast and sausages before preparing for our service project. After getting started on the first part of the scavenger hunt, we set out to begin our work. The service project was fun. We chopped wood, logged wood, and threw wood. Some kids even found hollow sticks and turned them into drumsticks, which we used to play the Star Wars Imperial March on logs while we worked. While we were working, it started to rain. It began as a drizzle, but quickly turned into harder and harder rain.

After the work was finished, we went back to work on the second part of the scavenger hunt. Following an eventful afternoon of collecting as many items as we could, it was time for dinner. After the meal, we competed in the Horseshoe High Score competition, which included events like Scouting trivia, three man ski, and bolt splitting. Then came the best part of the entire trip—watching *Moana* with buttery, salty popcorn.

In the morning, there was a lot of work to do, including putting back all the tables and bunks we had borrowed from Schramm Lodge. After everything was finished, we ate breakfast and the winners were announced. First place was a tie between Cougar and Flying Eagle, second place was Rattlesnake, and third place was the adult patrol. After a pleasant ride back, we unloaded the bus and went home.

# Pinewood Derby Workshop

**Saturday January 17, 2026**  
**Cabin**

**By Sherri Wark**

On Saturday January 17th, Troop 78 hosted the 4th Annual Pinewood Derby Workshop for local Cub Scouts. Over 35 Cub Scouts along with parents and a few younger siblings attended the event throughout the day. The snowfall was more than expected so the front walk was swept many times, and the parking lot was shoveled by hand! Meanwhile inside the cabin, the sounds of saws and smell of sawdust filled the air as the Cubs' blocks of wood were transformed into racing machines. Scouts helped the Cubs with design, cutting, and sanding. Every Cub and parent was thrilled at what was accomplished during their hour.

The Pinewood Derby Workshop helps to build a relationship with Cub families across the county while providing a service. Outreach events like this continue to build long-term interest for future members of Troop 78. A number of tours were given.

Special thanks to Scouts and Scouters who were there all day: Ethan S, Justin S, Nic O, Alex O, Josh S, Mason E, Varun K, Rob Duff, Steve Wark, Sherri Wark, Brian Opielski, Kipp Happ, and Steve D'Antonio. Thanks also to the 20 or so additional Scouts and adults who were there for a portion of the event.

# Troop 78 Honor Guard

Saturday January 10, 2026

Great Valley Presbyterian Church, Malvern

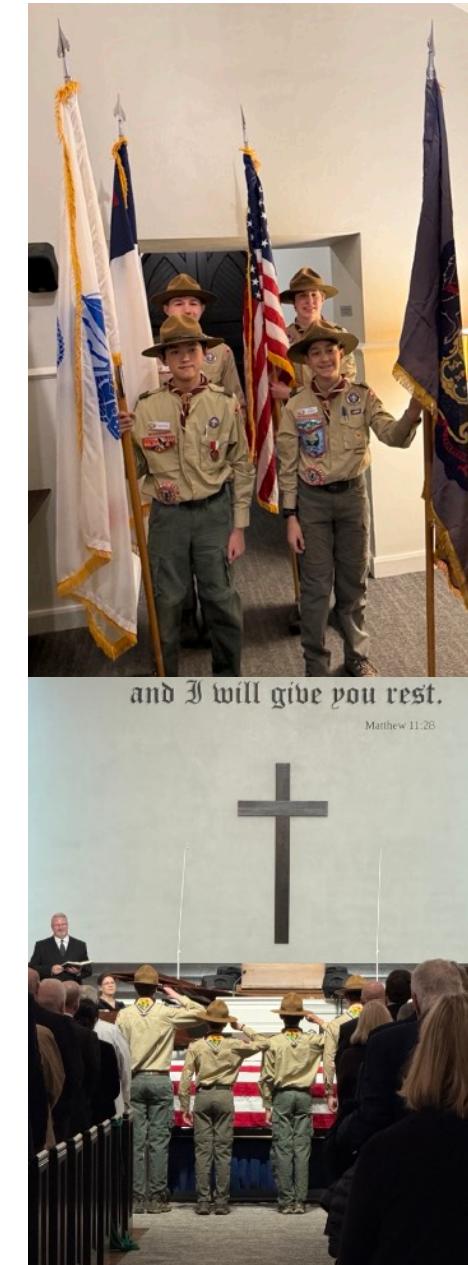

By Don Tyson

On Saturday, January 10, Sean T., Judah C., Jacob L., and Jay T. took a break from Winter Camp to serve as part of the Honor Guard for the funeral services for former Congressman Richard T. "Dick" Schulze (R-PA). Mr. Schulze had a distinguished 18-year career representing our community from 1975 to 1993.

Our scouts joined the U.S. Army's Honor Guard, 99<sup>th</sup> Readiness Division for the service with Full Military Honors. We opened the proceedings with a procession of the flag of the United States of America, the flag of the Commonwealth of Pennsylvania, the United States Army flag, and the Presbyterian flag accompanied by the Navy Hymn. The boys posted the colors and assembled in front of the flag-draped casket for a sharp salute and then recessed with a precise about-face.

Mr. Schulze's widow recognized the scouts in her remarks to the congregation and noted that Mr. Schulze recited the Scout Oath and Law daily, trying to live up to the scout standard. She then recited both and the seven of us in the last pew joined her. The service concluded with a 21-gun salute. Mr. Schulze's two sons were both in Troop 78 and thanked the boys both before and after the service, General Haake, Colonel Jahnke, and Sergeant First Class Simko for their assistance with this mission.

Many thanks to Chris Campbell and Camper Bull who also helped organize the event.

Wilderness environments create special situations not usually encountered in an urban or suburban environment. With Wilderness First Aid certification, first aid providers in a remote outdoor setting will be better prepared to respond with wilderness first aid training when faced with limited resources, longer times to care for someone, and decisions about when and how fast to evacuate an ill or injured person. This comprehensive 16-hour wilderness first aid course meets or exceeds the Boy Scouts of America Wilderness First Aid Curriculum.

This training is required for adult leaders on high adventure trips.
