The purpose of this re-port is to highlight a video that came out in 2020, at the beginning of the so called 'pandemic'. It is a parody of the Joker having a monologue about what is really going on with COVID-19 and how it is being used against Humanity. And what will be the consequences and outcome. Amazingly, the predictions have all but come true. The original video that was uploaded to YouTube was de-platformed. Although this transcript was shared then, a year later, the message seems to be prophetic now.

Lucky, many had a chance to download the video and has been reposted in alternative video platforms like on BitChute.com. The conditions highlighted pertain mostly to the USA but the effects have reverberated across the World to varying degrees. Some places such as Canada and Australia for example have exemplified the Tyranny currently being rolled out for what the Health Director of Queensland said was the 'New Normal in the New World Order'.

*It's just a Mask you Guys.*

*Don't be a Jerk, it's for the 'Greater Good'. It's just a Vaccine you Guys. Don't be a Jerk, it's for the Greater Good. In 4 months, the U.S. was transformed into an 'Obedient' Socialist Country. Government dictating what Events are acceptable to attend. Violent Protests that instill Fear are okay, but Church Services, Family Funerals and Patriotic Celebrations are Dangerous! And you bought it without a fight. Standing in a Graduation Line is a Safety Hazard. Small Businesses were forced to close but Crowds to support the Corporate Money Machine at Walmart, Lowe's, and Home Depot are okay.*

*Come on! It's just a Mask and Safety Precautions. How about a little Hush Money? Here's \$2,400 that we stole out of your Paycheck in the first place. Enjoy! Buy something with it from a Big Corporation. Cash is dirty. We can't give Change. There's a Coin Shortage. Use your Card. In 4 months, they convinced you to use a Traceable Card, for everything. In less than 4 months, Government closed Public Schools. Then restructured Education under the guise of Public Safety!*

*In less than 4 months, our Government demonstrated how easily People assimilate the 'Guidelines' that have no Scientific Premise whatsoever! ...when you are Fearful. In less than 4 months, our Government successfully instilled Fear in a majority of the Population in America. That allows them to control every aspect of your Life, including what you Eat where you Go, who you See; and your Toilet Paper.*

*And the most dangerous and terrifying part is that People are not afraid of the Government who removed their Freedom! They're afraid of their Neighbors, Family, and Friends! And they Hate those that won't comply. It's absolutely terrifying to me that so many People don't question Authority! They are willing to surrender their Critical Thinking Skills and Independence! They just gave up without Thinking, without a Fight. Do you know what's coming next? It's just a Vaccine. Come on!*

*It's for the Greater Good. Wait until you're told that you can't enter any Store or Business, of the COVID-19 Vaccine. Wait until you can't go to Public Events or get on a Plane without Proof of having received the Vaccine. Don't think it's possible? Well, you already allow the Government to say when you can go Outside, where you're allowed to go and accept it! A new, Unproven Digital Education for your Kids in the last 100 days.*

*You followed blindly because you were told to do so! You are kidding yourself if the Mask behavior won't be repeated with the Vaccine or whatever the next step is. I don't follow Politics. I don't care about that stuff. I don't think about it. 6 million Jewish People were exterminated in Germany because 97% of the Population covered to Populace Control. Nobody wanted to think about it. It's easier just to ignore it! But that couldn't happen here in America, right? They got you, without a Thought, without a Fight ...just like France, just like Russia, just like China.*

*Welcome, Comrade.*
