December 2012 President's Message

Well Anglers, it is the end of another eventful year. The Trophies have been engraved and are awaiting the winners. I hope to see you all at the Awards banquet on Wednesday December 12, 2012. As usual there will be many prizes to be won and a special raffle for FRIENDS of ROLLO. This year I am thinking the tickets will be \$5.00 each or 5 for \$20.00. Remember the money goes to a great cause and hope you save some of your hard earned money to support the cause. Last year we augmented our raffle to pay the entire trip costs. This year I hope to do it with raffle ticket sales alone.

I'd like to thank our board members for all the time and effort they have put in this year to make the club successful. I'd like to thank Ron Coleman for his many years as President then Treasurer (bean counter). Lynn Adams is to be thanked for his years of service as Raffle Chairman. He is stepping down but a replacement has not been found so he has graciously stepped up to help out as much as he can. A special thank you to Denise for all her work in making the decorations for the banquet and for speaking to the board members or anyone when they cannot find me which was most of the time. I am leaving work in March and should be "more" available. I thank Denise for all her help in calling and keeping things in order.

Most of the board remains the same. We are adding Kaili Chang as CFO, formerly known as Treasurer (bean counter). Turns out if something happens to me, she takes over! The board has done an outstanding job in trips, membership, Web page-Newsletter, speakers, saltwater, and freshwater events. I cannot thank them enough.

I need to thank those who volunteered during the year for United Anglers, 976 Tuna, Dan Hernandez, Friends of Rollo or any unnamed group, charity, or just took family or friends fishing should be congratulated because you to me are what fishing is all about. By passing on the love of fishing, the skills knowledge and love of the outdoors to those who follow us, we can insure fishing has a future. I cannot tell you how many times I have relived my first fish when I see a young child catch his or her first fish and see the sheer joy and excitement on their face. If I never caught another fish, I would never get tired of that feeling. I hope on the coming year you will take time to defend fishing by supporting the fight against MLPA and take the time to volunteer your time or money to help introduce a child to fishing. It is probably the most rewarding thing you can do.

Remember, any fish caught after the November meeting goes on next year's count. I hope to see more stories and pictures next year.

Finally, I hope everyone has a great holiday, remember those who have

left us, I will miss Herb. I was always asking him for something and he always came thru. He had an unselfish heart and I am sad to see him move away but wish him the best. You should all have a Turner's Outdoorsman fishing card by now. Please hand them out to anyone you think may be interested in joining the club. If you did not get one, see me at a meeting of the banquet and I will see you get some. Anyway Merry Christmas and Happy New Year! May 2013 be joyous, prosperous, and the best year ever! See you at the banquet and the January meeting. Good fishing and fellowship to all.

Fresh Water Event Update

December Outing

We are also going to have a December outing on the 1st., at Legg Lake. This will be at the south lake off of Durfee Rd. The parking lot is east of Rosemead Blvd. on Durfee Rd. This should bring back a few memories for some of us. Bring your kids, grand kids, neighbors, friends and even your mother in law. Everyone is welcome and we will fish until 12:00 noon. This will be your last chance to win a fresh water tournament hat in 2012.

I want to thank all of you who came out for the fresh water and surf fishing outings. We didn't always have a big turn out, but we always had a good time. I will be handing out jack pot hats and the fresh water angler of the year award at the banquet. Start thinking of lakes to fish and surf fishing destinations for next year. We will talk about them at the January meeting. May your hooks be sharp and your wishes come true.

Merry Christmas

Dave

September 7th Sea Jay Trip

By
Ernie Branch

The best looking anchovies I have seen in a long time. Active, cured, and ready to go. The only problem was hundreds of diving birds would eat them before they got to the bottom or shortly after flylining them. Very frustrating to all of us, but we hung in there and fished fresh frozen squid the whole day and managed to get quite a few rock fish and some calico bass as well. Six of our club members attended including Pierre Sycip, who won the trip at the Banquet, Charlie Lam, Joel and Christine Tureaud, Don Udlock, and myself. Jorge Quevas was unable to attend due to temporary sickness

Island Tak trip 10/27

By
Jim Clough

I arrived at the landing at 9 pm. everybody else was there. Ernie, Joe, Dylan, Glen, Chuck, Warren, Brian, Rich, Brian. Stowed my stuff. Talked a little bit and then off to my bunk. A smooth ride out to Santa Cruz Island. Started fishing about 7.

A few real nice Calicos came over the rail. Most caught with cut squid. We tried several spots. some sugar bass were caught, some small bonito, Joe brings in a 9 pound cabazon. Ernie tells Rich the only way to beat that is with a sheephead. So that's what he did. Our last stop was calicos about every cast. I had a full limit. Jackpots went to Rich for his sheephead and me for a 4 pound calico.

but sent a replacement. The rest of the anglers were guests. Louie Penafior, Sol Levy, Kyle Wilkins and Kelly Miller. Kelly was so impressed he has decided to join our club and will be attending our next club meeting to sign up. The jackpot Calico Bass was caught by our guest Kyle Wilkins and the biggest other fish was caught by Ernie Branch, a nice size Sheepshead. Thank you Christine for showing me the spot where the Sheepsheads were.

Ate that one the next night at my girl friends house. A great day was had by all. Good fishing with good friends. Later, Jim

Island Tak Nov 2012 By Rich Jenkins

This will be the last trip for the year 2012 on the Island Tak and the first trip for the start of the 2013 Whooper Board.

We had nine total people on this trip. Seven club members and two non club members, one of which was a repeat from another trip who might join the Turners Club. You all know what that means the club had to come up with \$250.00 dollars which will come out of the money we would have been able to put toward the Club Banquet.

The evening of the trip it was cold and foggy at the landing. After everyone checked in with the Charter Master we started rigging up for the next day's adventure. Some went out for dinner and some went below to try and get a good nights sleep.

As usual Steve and Jonny showed up around 4:00 Am and got the engine started and off to the bait receiver for some fin bait for chumming, next stop Santa Cruz Island to see what was to be had.

We started out jigging for squid and got enough for our use for the day. The conditions were not in our favor as there was no current. The Calico fishing started out slow. We would get a few along with a lot of Sugar bass which in my opinion are a very good eating fish. I got a nice Calico at the first stop " looking good for the jack pot but it was too early for me to feel comfortable about it.

By now the weather was beautiful and we made a few moves picking up some more Calico, Sugar Bass and some White Fish. Another move and some China Croaker and Blue Bass came aboard. Paul Yazaki pulled out a bigger Calico knocking me out of first place.

As the day progressed Don Merrill landed a big Sheepshead good for the other half of the jack pot. Last stop of the day and just before winding in and calling it a day I hooked what would turn out to be the biggest Calico for the trip weighing in at 3 pounds even knocking out Paul of contention.

I want to thank Ernie for putting the trip together and a thank you to the people that showed up. Ernie Branch, Jim Clough, Ron Hall, Chuck Auer, Don Merrill, Paul Yazaki and Rich Jenkins club members and non members Gary Christopher and John Gorham possible new member.
