*Smarter Balanced-Summative ELA/Mathematics, Grades 3-8*  
*Nevada Science Assessment, Grades 5 & 8*  
*Nevada Alternate Assessment, Grades 3-8 & 11*

As the parent/legal guardian of the student named below, for this school year I formally request my child not to be administered the Nevada Criterion-Referenced Tests (CRT) in English Language Arts, Mathematics and Science administered in grades 3-8, or the Nevada Alternate Assessment (NAA) administered in grades 3-8 and 11.

By my signature, I acknowledge that my child is not exempt from participation in classroom, district, or other state assessments not named on this form and included in the Washoe County School District balanced assessment program.

I understand that by signing this form I, as well as my child's teacher, may lose valuable information about how well my child is progressing. In addition, I understand that our refusal to participate in the Nevada CRT administration may impact my child's school and the district's efforts to equitably distribute resources and support student learning.
