

2015 Dynasty Modifications

Suggestions to improve livability and efficiency to gain more usable space.

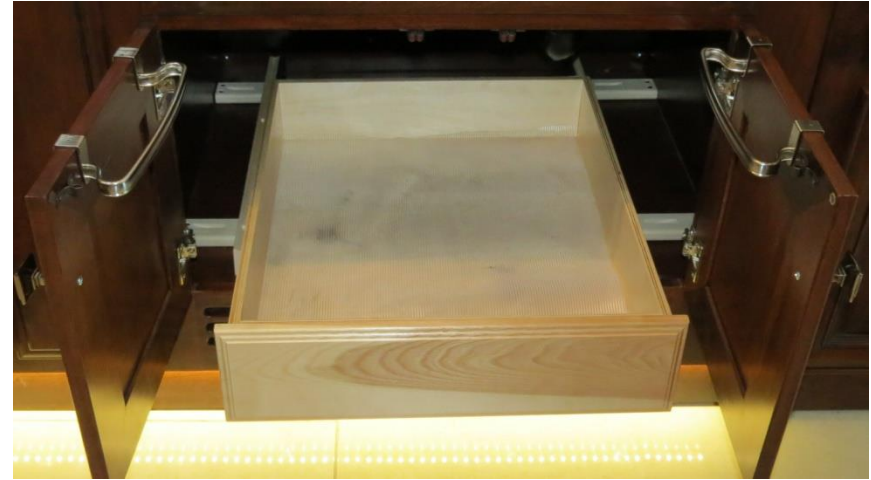

Kitchen Cabinet Before & After

Drawer rails are adjustable in 1" increments up or down.

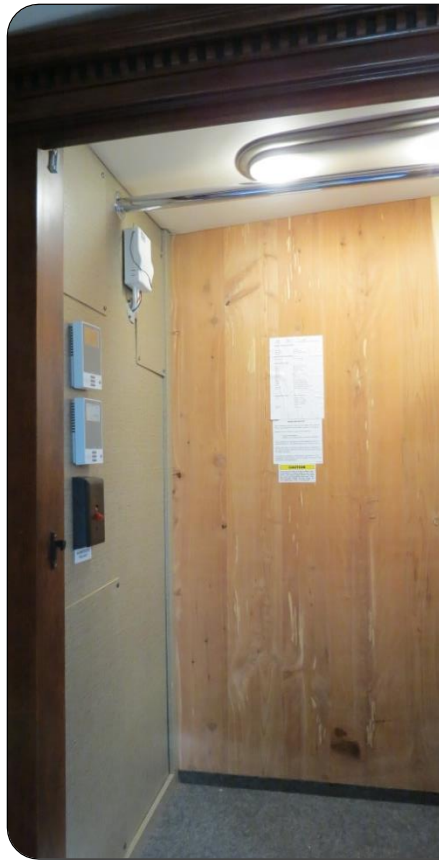

Kitchen Cabinet Before & After

Drawer rails are adjustable in 1" increments up or down.

Kitchen Cabinet Before & After

Drawer rails are adjustable in 1" increments up or down.

Bath Closet along Back of RV

Baskets come in various widths and depths to accommodate your needs. Side rails are adjustable in 1" increments up or down.

Kitchen Pantries

Added shelving to more fully utilize space. We found that reusing conbtainers from mixed nuts and refrigerated fruit made perfect cannisters.

Cargo space in Basement

Added beam clamps and hooks so that ratcheting tie-down straps could hold cargo tight to ceiling in Basement.

Refrigerator Door Lock

Sugatsune model HC-85
