To Daniel A.Young, Sr.

On behalf of USTA North Carolina, congratulations for achieving a year-end ranking of number 1 in the State of North Carolina. That is very impressive!

In recognition of your accomplishment, we have enclosed the latest edition of the North Carolina history book and a tournament schedule. You are now a part of our state's tennis history and join an impressive list of great players who achieved this honor.

Best of luck in 2016. We hope you will continue to support our sanctioned tournaments this coming year and, once again, congratulations!

Sincerely,

Jane Scott
