

Hello my fellow Americans,

If you haven't noticed winter is here. Really it's here! That's enough about the snow. I'm thinking summer rides, vacation time and bikini girls! Yea baby!

The state seminar went well. Booze basket winner was "Dean" from region #7. Congratulations Dean! Bert and Stacey were both honored with a plaque. Bert for 3rd place on the bike raffle sales and Stacey for region #15 member of the year. So proud of them both! Next time you see them, grab them a drink! If you are curious what happened at this year's State Seminar you'll have to read about it in the other articles in this month's rider, or come ask me in person. Far too much to cover in this column.

The next big event is the All Region Meeting. We have had a few of these events through the year and they went over well. The next one will be hosted by us! We will have some guest speakers as well as a free luncheon. Meeting starts at 1pm, end at 2:30. Food served at 2:30. We will be keeping a tight schedule to accommodate our guest speakers. American Legion has \$1 bottles every Sunday! The Daytona 500 will be playing on the screens after the meeting and we have a prize basket to raffle. There's no charge for this event for all ABATE of Michigan and American Legion Post #200 members. Hoping for a great turnout. I hope that my missing members of #15 show up. I know you're out there!

After that the next event we have is on the 7th of April. The flyer for Bowling for Motorcyclists Rights (at Biddle Bowl) is in this issue. We still need door prizes. Never enough lol.

Remember we are doing a flea market with region #18 in May. I need your priceless junk from the garage or basement. This is the easiest way for you to help. Call me and I will come get it. Many thanks if you do.

Peace-Love-Out
