Building a brighter future for our children

2016-2017 Season

Dear friend of the community,

On behalf of the Calumet City Chargers Youth Cheer & Football Program, I would like to extend an invitation to you and your company to become a sponsor for our 2016 season. The Calumet City Chargers is a program of the Tomorrows Youth Foundation, a non-profit organization, whose mission is to:

- *Build brighter futures for our children through mentoring, education, athletics, and character development.*
- *TYF's, vision is to foster our youth into well rounded young men and women who become successful community and neighborhood contributing adults. Our youth will have opportunities to grow in education, the arts, and athletics. Adult mentors will be positive role models while building character within our youth.*

Our national youth football & cheer program is a proud member of the national AYF (American Youth Football) League. We are looking for sponsors who are willing to donate any dollar amount to assist in covering our major expenses such as field rental, officials, concussion prevention equipment, tutors, and end of season travel cost.

If providing sponsorship for The Calumet City Chargers Youth Cheer & Football Program is an option for you and your company, please take some time to review the sponsorship information I have included with this letter. I am confident you will find a level of sponsorship that will be comfortable for your company as well as beneficial to our organization.

The Tomorrows Youth Foundation looks forward to building a strong partnership with your company that will enable us to fulfill the hopes and dreams of our youth.

I welcome any comments or questions regarding the details of your sponsorship and look forward to forming a mutually beneficial partnership.

Thank you in advance for your consideration and support of The Calumet City Chargers.

Sincerely,

Monet Forte' - Wilson
