RIVERSIDE BANDS

19 May 2025

Dear Riverside Band Students
and Parents,

It is with great excitement that we announce the Riverside High School Band will be traveling to Orlando, Florida in the spring of 2026. This trip promises an unforgettable combination of music education, performance opportunities, and fun. Highlights include a clinic with a world-renowned Disney musician held in a professional recording studio, as well as a performance in a Disney Parade. We are pleased to share that we have already been tentatively accepted to participate in the parade.

The tour will begin on the morning of Thursday, March 19, 2026, and will conclude on the evening of Wednesday, March 25.

At the start of the next school year, you will receive a formal invitation to participate. That letter will include full details regarding schedules, payment plans, departure and return times, chaperone sign-ups, and other important information.

Given the rising cost of travel—especially Disney park tickets, which are projected to be around \$750 per student during our stay—along with increased transportation and lodging expenses, we wanted to give families the opportunity to begin saving over the summer months. The tour company is currently working to finalize arrangements for transportation, accommodations, park tickets, and meals. Although a final cost has not yet been determined, the current estimate is approximately \$1,900.

This estimated amount covers transportation, hotel lodging, daily breakfast at the hotel, tickets to all Disney parks including a water park visit, participation in a Disney backstage recording workshop, a dinner and show at Medieval Times, and \$120 in Disney dining cards.

Students may remain in Florida with their families at the conclusion of the trip if desired.

Please note that this is not a marching band trip. It is a high school concert band trip, and students must be enrolled in a band class for the entire 2025–2026 school year in order to participate. Any student in grades 9 through 12 who meets this requirement is eligible to attend.

All students who participate will be required to memorize "Salute to America's Finest" prior to the trip. This requirement is mandatory for all travelers.

We want you to go!
