## KYC ANNUAL MEETING— SUNDAY SEPTEMBER 6, 4:30PM

### Meeting Agenda

1. Roll Call
2. Presentation of Minutes of previous Annual Meeting *Note: Minutes will be Posted*
3. Reports of Officers
4. Report of Committees
5. Old Business
6. New Business
7. Election of Directors  
*Nominations may also be made from the floor at the meeting*
8. Presentation of Amendments to the By Laws (None)
9. Adjournment

First, the meeting will take place outside. A tent will be installed if the weather is a concern.

Second, we are limiting the necessary business to the minimum. The Board of Directors is recommending NO dues increase and NO changes to our bylaws. The election of directors will occur, although the three members with expiring terms have all agreed to continue for an additional term.

**Third, we are strongly encouraging the use of proxies.** This will allow us to fulfill the quorum requirement and allow voting members the option of not attending. Again, we are taking steps to accommodate a typical turnout, but should you choose to stay away due to weather or any other reason, your completed proxy will allow us to carry on.

Fourth, the minutes of the meeting and a summary of the reports will be made available by September 17th . We are having a good year and certainly want to communicate all the information we can with you.

Each of these steps are intended to meet the requirements of the Annual Meeting while focusing on the need to keep our members safe and informed. As a reminder, Social, Crew & Student members are welcome to attend but are not included in the voting categories.

Please feel free to reach out to me if you have questions or concerns regarding this year's Annual Meeting.

Thanks,  
Steve Bender  
Commodore

## 52ND ANNUAL LIGHTNING CHAMPAGNE & CLASSIC BOAT REGATTA

**K**euka Lightning Fleet #252  
will host the Champagne  
regatta on **Saturday,**  
**September 12th.**

For 2020, the format has been changed to a one day regatta. Our focus will be on a day of racing at beautiful Keuka Lake in the fall, a bit less emphasis on the social aspect this year as you would expect.

~ Saturday dinner and awards following racing for skipper and crew at 5pm.

## RACING RESULTS

All the wind that hasn't been around arrived this weekend. A strong breeze greeted the MC sailors on Saturday morning. After one race and one tip-over, there were only 2 MCs, so no second race.

On Sunday the promised 10 to 15 WNW breeze arrived and stayed. The Lightnings and Es sailed up the west branch in a building breeze with strong gusts. Everyone managed fairly well given that there hasn't been much wind this summer. Most of the E fleet decided to not start or to retire from the second race, leaving the remaining two Es to complete a shortened course.

## A ROSE BY ANY OTHER NAME....

This week, Bob Meyer explains how his E-scow was named; "When Michelle and I met we were each in search of new beginnings, a fresh start. One of our shared interests that brought us together was a love of sailing. We both sailed competitively, but at different clubs, at different lakes, and with different boats.

The chance to get an E Scow and sail together was a great opportunity. Like getting your second wind in an endurance race, in our lives sailing together is that new spark of energy. Therefore our boat is named **Second Wind**.

(Be sure to check out the clever graphic for the name on their E!)

To Randy Kuhl for blowing away stones, dirt, leaves from boat parking and lanes, AND reinflating ALL dolly tires for Sunfish, Lasers, and FJs.
