LAKEVIEW HEIGHTS NEWSLETTER
October 17, 2020

Dumpster - The City Commission has appropriated funds for the Fall Clean-up dumpster and it will be located in the usual place, near the city park, from **October 19 to October 26, 2020**. As a reminder, you **are not permitted to dispose of tires, trees, plant material, or lawn trimmings of any kind, concrete or concrete blocks, building materials, or anything considered hazardous, such as batteries, gasoline, paint, petroleum products, etc.**

**Trick or Treat night will be observed on
Saturday, OCTOBER 31, 2020 from 6:00 – 8:00 p.m.**

We ask that you make plans accordingly if you will be out and about before or during this time. As you know, we have a ton of guests during this time and since SAY BOO to DRUGS was canceled, we are expecting high numbers this year.

If you plan to participate, we ask that you do so in a safe way using masks and gloves to distribute treats. We cannot ensure that all guests will be wearing appropriate masks under their false face masks so please keep this in consideration.

If you wish not to participate in Trick or Treat night, please turn off your outside lights to signal to any guests that you are not participating.

Leaf Pickup - The city has appropriated funds for leaf pickup this year which will occur in November. The estimated date currently is a one-time pickup on November 20, 2020. As always, just have your leaves blowed to the edge of the street but not in the street during pickup day (No Bags).

City Park- The swinging bridge in the city park is not operational. It has been taped off and plans for repair are in the process. Please do not remove the caution tape or allow any children on the bridge portion until repairs are complete.

Sam Mason, Mayor
