

God's Product

*Satan's goal is to use a trial to destroy your faith,
but Jesus' goal is to use the same trial to build your faith.*

I had an image of a sifter and in the bowl was a finer blend of flour than before. A big piece had to go through a tiny hole in order for the outer layer to be removed to expose the new, the fresh, the purer part. I see a bag in the hand of God and it is all manner of trial, hardship, testing, and tribulation and as these things get poured out and sifted, I see in the bowl, life, wisdom, mercy and the fruits of Holy Spirit and they are ALIVE and breathing they are at peace with one another, they are REDEEMED. Upon looking closer I see that what has come out on the other end is flecks of gold.

It's good for us to remember that the Bible tells us that God doesn't TEMPT us, (**James 1:13**) however, it doesn't say that He won't TEST us. There is a difference that sometimes we can mix up in the heat of the moment.

When things get hectic, when you find that you are aren't operating in peace, it's easy to lose focus and act in our emotions instead of with wisdom, this is part of what God continues to sift in us through the testing of our faith.

Wherever you are at today, I ask you take a minute and thank God that what He brought you to, He will bring you through. That what has been required of you, HE will give you the strength to complete it. That what you need to do, you will gain the resources to do it with and that time will NOT be robbed of you today in Jesus name! I pray that the testing of your faith today and in the days to come will prove solid and it will produce the righteousness of God. You are HIS HANDIWORK and His product and He is the builder of all you ever had and will have.

Give Him glory!

Psalm 11:4-5 - The LORD is in his holy temple; the LORD's throne is in heaven; his eyes see, his eyelids test the children of man. ⁵The LORD tests the righteous, but his soul hates the wicked and the one who loves violence.
