Synopsis

The purpose of this Book is to chronicle the Collapse of the USA. As dire and morbid as that sounds, one will be presenting the various Factors that have contributed to this Outcome, in one's Personal Opinion. The various chapters will be based on one's Political Science background but incorporated and interpreted through a Biblical Lense and Prophetic Filter.

The Main Title of the Book is '72 Monkey'. What is that and why has one chosen that to be the Title? If one has any U.S. Prior or Current Military Training, one will automatically recognize this 'Call Sign'. It is a Dire Outcome of what is going to happen in exactly '72 Hours'. The Term is not found in any Conventional Dictionary and not 'Officially' recognized, other than that it is part of the General Understood U.S. Army Colloquialisms.

Such Terms are used to Communicate in the Battlefield and in a Time of War. It literally means that in a period of 72 Hours, 'All Hell will Break Loose'. It is, that after a Period of 72 Hours from a given Time Marker, is how much Time there is before an Incident, Situation, Skirmish, Battle, War, or National Collapse is to ensue.

It is unavoidable and certain to occur. And that is why one chose that Title for the Information one is providing pertaining to the coming 'Zero Hour' USA. Consider purchasing a Copy for one's Study or to give to others as a Gift. Please leave a Review to support this type of Research.
