

First Vice President, Convention Co-Chair Report

June 12, 2021

Barb Kerouac

Happy Summer all! **REMEMBER AUGUST 7th**

It's a bit strange preparing for Convention this time of year, but what hasn't been strange this past 15 months? I am feeling a bit overwhelmed as to how I will complete the tasks at hand, but put faith in God and all you wonderful Council sisters to carry me through and give me the help necessary to complete them.

I have sent out letters to past donors for our Convention program. As you know soliciting advertisers to defray the cost of printing needs for the convention saves us much. Please support this by asking businesses, friends, relatives, and yes, strangers to help support this effort. I have sent the forms to our website and they are included in each Convention packet. Feel free to copy them and pass them out freely. You never know who will support us, unless you ask. There are many forms to which people can support this; memorials, honorariums, business advertisements, "thank-you's", prayers, even a joke, cartoon, or light hearted story or your own art work can be submitted as an ad by **August 7th**. The ad pricing is the same as in the past (full page \$100, ½ page \$50, and ¼ page \$25). Be creative and I will do my best to give you a great program.

I will also be needing the annual reports of each DCCW officer, Deanery president, and commission chair, PLUS the prayer services need to be submitted to me by August 7th. You can send them to me at barb0235@msn.com. This is a much necessary deadline, so please adhere to it, for my sanity's sake. I am quite tech challenged, so please help me. I find I need to proof everything multiple times, just ask our very patient President, Becky. Haha.

I am looking forward to seeing you all at Convention!

God bless and keep you all in His loving hands.
