## Scholarship Application Form

This form is for those applying for financial assistance.

Please submit completed form to the registrar.

It is the intention of the Corbett Youth Football (CYF) to make every effort to ensure our program is open to all interested members of the community. With this goal in mind, we have created a scholarship application process for existing and prospective members with a financial hardship that makes it hard for them to participate. Your application will be reviewed by members of the board and will be assessed based upon multiple criteria. We have a limited number of scholarship funds and we regret that we cannot assist everyone who applies for a scholarship, but are making every effort to ensure as many players as possible have an opportunity to play organized football.

**Parent(s)/Guardian(s) Understanding**

Filling out a scholarship application does not guarantee that my child will be approved. CYF will take all applications into consideration and will let applicants know their status as soon as possible. Scholarship dollars will depend on different factors including but not limited to money in reserve for scholarships, number of players applying for scholarships, and financial needs of the family.

**Scholarships cover all registration fees. Any and all unpaid balances from any prior participation in CYF/Boosters must be paid before this application will be considered.**

**Parent(s)/Guardian(s) Commitment**

All scholarship recipients are required to have parent/guardian/family member volunteer a minimum of 8 hours during the football season. This may include assisting in association activities by helping with equipment sizing, equipment handout, equipment turn in, field setup/tear down, field clean-up, homecoming, BBQs, Home Game(s) and/or Jamborees, etc. These hours are in addition to the normal team volunteer needs. Please note, failure to meet your volunteer activity requirements will make you ineligible for any future scholarship considerations from CYF.

We declare that this information is true and that the applicant meets all of the stated scholarship requirements.
