

How to start TBMC in your neighborhood:

1. A TBMC Club will need a shul or bais midrash that can make itself available on weekday evenings and that can be safely accessed by the boys of the community.
2. A TBMC Club can be started with a minimum of 10 boys, ages 9-13 years, and can have up to a maximum of 50. The club can be started with a smaller group, and, as often happens, one boy tells his friend, and the group grows very quickly.
3. The Rebbe should be committed to develop a warm relationship with each boy through the nightly learning, incentives, trips etc.
4. TBMC will sponsor your club and help establish it. Our goal at TBMC is to help boys realize their dream of finishing Sedorim of Shas Mishnayos in time for their Bar Mitzva, while developing a Geshmak for learning. A very important part of the TBMC success is the feeling of achdus, camaraderie, and pride in being a member of the TBMC.

Tizku l'mitzvot, and may you see much nachas from your Talmidim.
