

Pelagic Diving

Pelagic Dive Charters started out with little more than an idea and a few passionate scuba divers. This energy, passion and excitement propelled us forward. Our satisfied customers are spreading the word that Pelagic Dive Charters delivers a diving experience second to none.

Divemaster Jason Henry and wife Monica are always thinking of ways to expand and evolve Pelagic Dive Charters to meet the needs of the most enthusiastic scuba diver.. You!

Our Values

We never forget that customer satisfaction and safety is our primary goal. At Pelagic Dive Charters we strive to maintain our reputation for delivering the gold standard in your diving experience.
