FALL 2022 NEWSLETTER

PRESIDENT'S LETTER,

Presidents Letter

Our show was a huge success, good weather, good displays of engines and tractors, good attendance (2000) plus, and good people. I want to thank all the volunteers who stepped up to help out. It always amazes me. We take hours to set up and within an hour it is all back in the trailer. A special thanks to Steve and Linda Lombardo who do the baskets and to Steve Feidler for running the silent auction. These take in a lot of money for the club and they do a great job. We had several engines which hadn't been here before. With all the volunteers it makes my job easy as there is always someone to help out. With our income from the show we will continue to give back to the community. Looking forward to seeing you at future shows.

Gary Covert

2022 Changes went well

A major change in this years show was the way we entered and exited the Fair Grounds . This provided the security for the fair grounds folks and worked very well for our members. The silent auction saw a change in the way it ended and the payment procedure. Winners went to an outside entrance, paid and were escorted to the winning items. A much more organized procedure that really made a difference. Thank you Steve and Linda Lombardo, Steve Fiedler, Berry Adico and others that helped make this a big success again this year.
