The show will run from October 8 to November 2 at the McCord Gallery and Cultural Center, 9602 West Creek Rd., Palos Park Illinois." She adds that there will be a reception on Sunday October 14, 3-5:00 pm.

Darlene had one of her pastel paintings juried into an online show currently on view with the PASTEL SOCIETY OF NORTH CAROLINA, pastelsocietyofnc.com. "Hope you get a chance to check out the fabulous work on view there!" she says.

Virginia Morrisseau has passed.

Virginia had been living at a Boston nursing home, and passed away on September 10 at age 93. There have been no obituaries to give a broad picture of her life, but a Google search found archived articles that talk of her later life as an artist and a member of the art league.

1997 Chicago Tribune article titled "Marina Becomes Art Gallery for a Weekend." The art league used to maintain an On-The-Wall site at the North Point Marina in Winthrop Harbor, and on this occasion "About 78 painters, sculptors, printmakers, potters, jewelers and mixed-media artists had set up tents on the grassy knoll overlooking the harbor for the Lake County Art League's annual Fine Arts Festival." Virginia is briefly interviewed as the president of the art league.

2008 Daily Herald article titled "Lindenhurst Artist's Work on Display." It talks about Virginia's work at encaustic painting, and more specifically a piece she did for her church, Wildwood Presbyterian Church in Grayslake.
