

TOWN OF MARBLE

Master Plan 2023

The Town of Marble is forming a special committee to update its existing Master Plan. A professional facilitator will assist the committee to focus on key areas relevant to the future of Marble. The committee will meet monthly for one year to develop a ten year Master Plan. Public meetings will be held and facilitated through the year to hear the visions and hopes from the community. All are encouraged to apply within the 3 mile radius of Marble's town limits. The applications can be found on the front page of the town's website. The current Master Plan is also on the website. Deadline to apply is March 1, 2023. If you are unable to join the committee, please attend meetings. Everyone's input in this process is of great value.

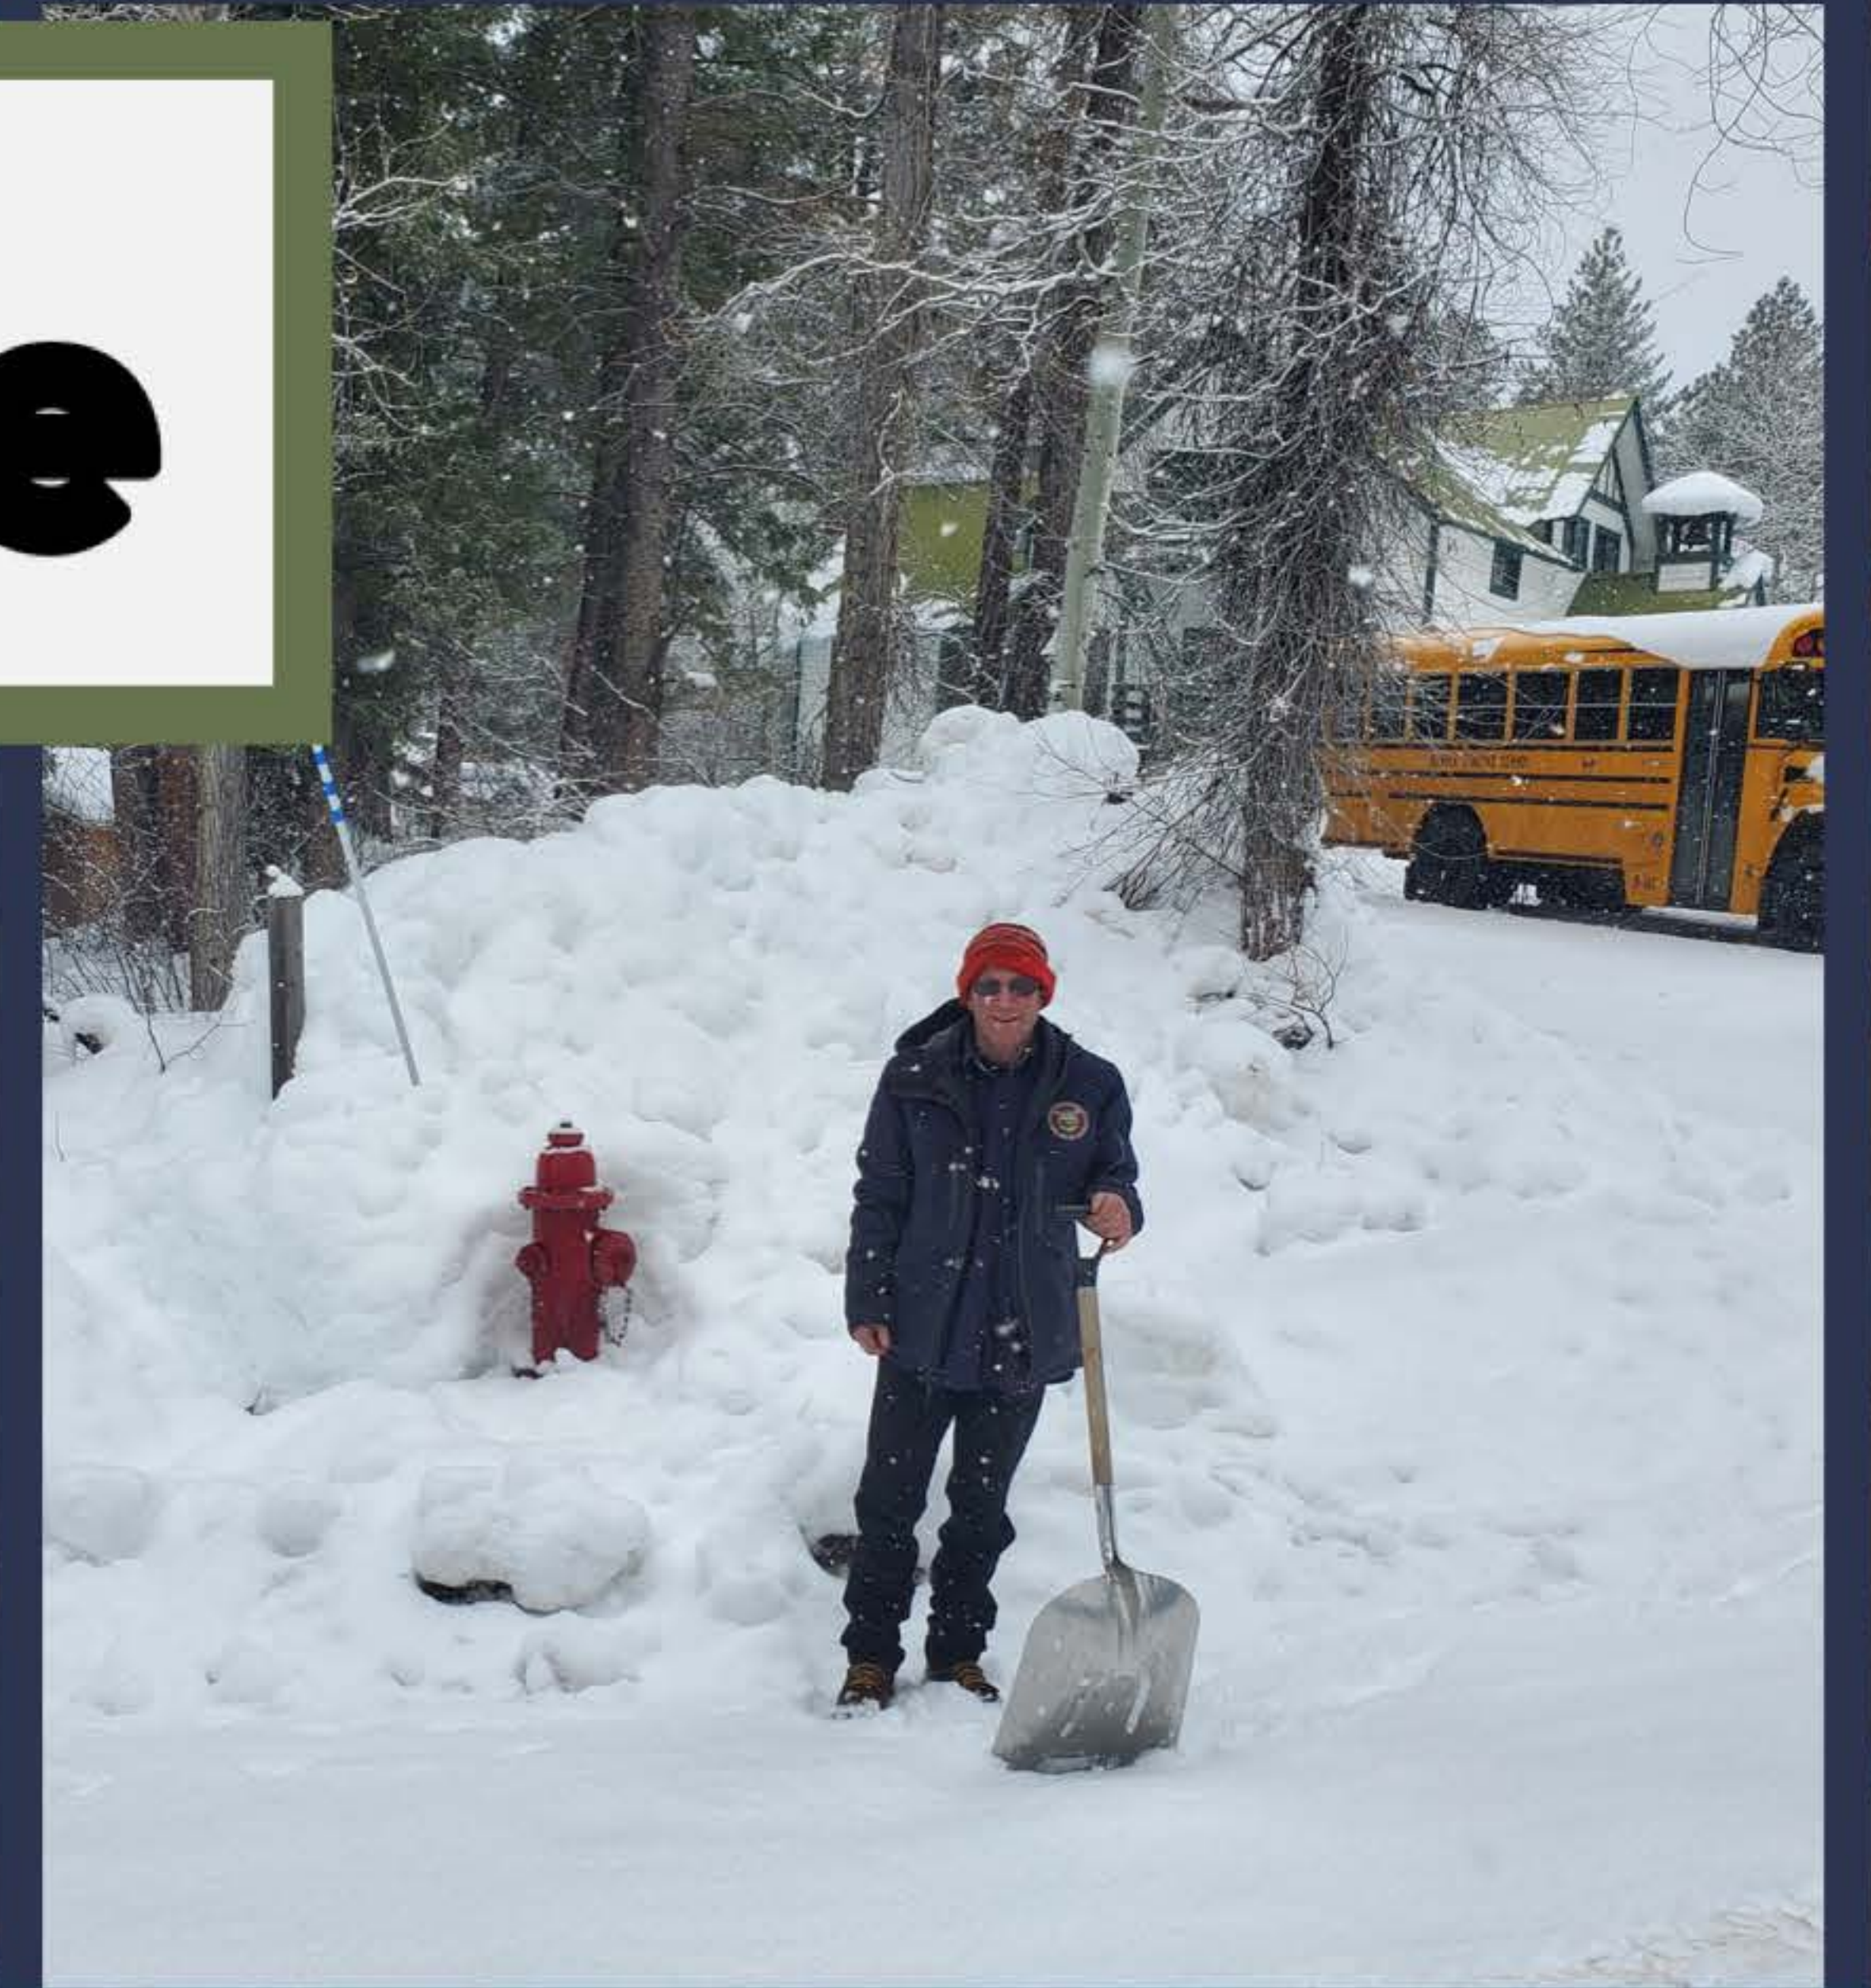

Big thanks to Richard Wells and Jason Rusby for grooming the Mill Site park!

A Blue Bird Day

Winter in Marble

BACK TO SCHOOL

Marble Fire Fighter Paul Wahlbrink has kept the snow cleared from around all the fire hydrants here in Town this winter, insuring access for the fire trucks in case of emergency. If you see Paul give him a well deserved "Thank You" for his contribution to our community.

Charlie Manus (MVP) is there at the recycle every Tuesday and Saturday for the community! Charlie is always ready to help anyone who needs help here in marble!

Marble Town Meetings

take place in the Fellowship Hall of the Community Church every first Thursday of the month at 7pm. Come join in the fun and stay informed.
