

## **Golden 4<sup>th</sup> of July 2019**

### After Action Report

On the 4<sup>th</sup> of July at Golden Lions Park, we put our docents to work with George Mayl providing helicopter lessons to all the children, Dale House brought his wife Candy and Carl Cavalluzzi and his wife Barbara to help out with the merchandise and we also had our volunteer helper, Trish Flaherty, who works with Dale. Gregg Mann's wife, Deborah, was also there to help out with the merchandise. Cliff Lawson provided photography for the event as usual and generally was available to do whatever was needed. Also, providing docent duty was Bill Robie who set up the event with the Golden Lions Club, Doug Neil, Richard Overstake, Phil Lanphier, Gary Hurrelle, Bill Bates and Rick Beaver.

It was a festive atmosphere with different bands playing all day long. We had about 400 visitors. Not as many visitors as in the past but, In my opinion, anytime we have the opportunity to tell our story and educate the public, it is a resounding success.
