LAKWOOD FOREST CIVIC ASSOCIATION'S 22nd ANNUAL

Memorial Scholarship Award

APPLICATIONS DUE MARCH 22

Your Civic Association is pleased to announce the continuation of its Scholarship Award program for the Class of 2021 high school seniors who reside in Lakewood Forest.

The Scholarship Award program originated as a tribute to our area students who were injured or who died in a tragic nighttime bus crash on December 21, 1999.

The Civic Association's Scholarship Award program is primarily essay based, rather than GPA/class rank/academic merit based, or needs based. This is so every Lakewood Forest graduating senior can qualify and have an equitable shot at competing for a scholarship award. As the saying goes however, "you've got to be in it to win it." **We encourage all Class of 2021 students who live in Lakewood Forest to submit an entry.**

Each year the individual award amounts and the number of awards granted can vary. Generally, we have awarded from one to six scholarships in amounts ranging from \$250 to \$1,000, or more. Scholarship awards are available for those seniors pursuing technical, associate or undergraduate degrees. The most important factor in our scholarship selection process is the creative essay. Secondary consideration is given to academic achievements, achievements earned outside the classroom, and volunteer/community service. Scholarship entries are scored blindly with students' identifying information marked out.

Your scholarship application **must be received by 6 p.m. on Monday, March 22.** Incomplete or late entries will be discarded.

Please carefully read and submit all of the Scholarship Award application requirements:

1. A personal resume that includes all of the following:
 - Your name, address, phone number, and parents' names
 - Your high school, class rank, and GPA (include scale used, please)

February Meeting

The Lakewood Forest Garden Club met on February 5. Thoughts of valentines and roses seemed to be dancing in the heads of members who were happy to see each other virtually for social time, learning and the handling of business. Barbara Crum's opening used a grand bouquet to explain the significance of the various colors of roses and the messages they portray.

An excellent program entitled "Ten Easy Ways We Can All Save Our Resources" was presented by speaker, Rica Brock. She gave practical tips on avoiding the single use of many plastic and paper products. We were encouraged to make a big difference in the environment by taking small steps to create habits such as reusable straws, cups, water bottles, and shopping bags. We appreciate Yvonne Newsome for arranging this and other fine programs throughout the year. Rica and her sister Adrienne Juno, who is a garden club member, have researched their family roots all the way back to 1650.

Pam Randall gave a report on the applications for awards she has prepared and submitted to the district. She has put in many hours and expresses appreciation to members for their work on various committees. Good luck!

Marilyn Bullen gave a Horticulture Report showing a collection of beautiful floral art. It reminds one that spring is on the way with jonquils and lilies to enjoy.

Yard of the Month

Yard of the Month for March was judged by members of the garden club in Area F Sections 14, 15, 17 and 18 at the end of February with April Yard of the Month to be judged in Area A Section 1 at the end of March.

IRISH GARDEN FLOWERS: PLANTS TO GROW FOR ST. PATRICK'S DAY

By Mary Ellen Ellis

St. Patrick's Day is right at the start of spring, when every gardener is more than ready to start seeing green in their beds. To celebrate the holiday, go green with your flowers and plants.

Using green cut flowers in arrangements or even growing your own lucky plants in the garden, there are plenty of options. Green is the color of the holiday and the color of the season. In mid-March, depending on where you live, you may be just starting to see some green. Celebrate the new growth and the color of Ireland, and the holiday, with green St. Patrick's Day flowers. Flowers that come in green are not that common. The bright colors of flowers, distinct from stems and petals, attract pollinators. Green flowers blend in with foliage. However, there are some that are naturally green and some that have been cultivated for the hue: Jack-in-the-pulpit; cymbidium orchids; green roses – jade, emerald, and cezanne; hydrangea; green chrysanthemums – Kermit, Yoko Ono, and shamrock; lime green flowering tobacco green envy; echinacea; lime sorbet columbine; bells of Ireland and Irish garden.

For flowers for an Irish theme, don't simply rely on green flowers. There are plants and blooms in other hues that represent the country and St. Patrick's Day. Perhaps, the most obvious choice is the shamrock. Legend has it that St. Patrick himself used this humble three-lobed leaf to explain the Holy Trinity to the people of Ireland. Whether or not it's true, a potted shamrock is a simple and perfect table decoration for the holiday, especially if it's flowering.

PEARL FINCHER MUSEUM OF FINE ARTS

School of Art Classes

The second session of spring courses at the Pearl Fincher Museum of Fine Arts School of Art will begin the week of March 22, and continue through the week of May 10. Classes are offered for students and adults, as well as the Cultured Pearl Studio where high school students and adults of all ages can gather for guided sessions to create beautiful art.

Summer classes at the School of Art will serve teens ages 13 and up, as well as adults.

The School of Art is devoted to nurturing creativity and fostering an appreciation of the arts. Small class sizes provide the opportunity for in-depth instruction from talented faculty. For more information, including course descriptions and class schedules, please visit www.pearlmfa.org/schoolofart or contact Karri Clark, School of Art Coordinator, at 832-236-0156 or karripmfa@gmail.com.

The Pearl Fincher Museum of Fine Arts exists to provide direct, first-hand access to original works of art, and to offer outstanding educational and public programming. As the only Fine Arts museum in Harris County outside the city center of Houston, the Pearl operates completely through the generous donations of individuals, businesses and foundations from the greater Houston community, and is free to all.

Located at 6815 Cypresswood Drive in Spring, the Pearl Fincher Museum of Fine Arts is open 10 a.m. to 5 p.m. Tuesday through Saturday. Admission is free. Donations and membership support are appreciated and help continue the Pearl's mission of art, education, and community.

Special health and safety precautions are currently in place for the protection of all visitors. Art lovers may also enjoy exhibitions and numerous at-home opportunities through the Pearl's website during the COVID-19 pandemic.

For more information, please visit www.pearlmfa.org or call 281-376-6322.
